KOBLENZ CABLE CAR

THE ULTIMATE RHINE EXPERIENCE

Germany's most modern cable cars take you from the city's Konrad-Adenauer-Ufer river bank all the way up to the summit station of Ehrenbreitstein Fortress. The cable car is 100% accessible and transports up to 7,600 passengers per hour. With its panoramic cabins, it promises an unforgettable trip over the Rhine and is surely one of the greatest attractions in the Upper Middle Rhine Valley. Enjoy breath-taking views, ascend over 112 meters and discover the beautifully landscaped park on the fortress plateau. When descending you can literally look forward to one of the most beautiful cities at the confluence of Rhine and Mosel.

FORTRESS GASTRONOMY

A fantastic view and international cuisine await you in the Casino Restaurant at Ehrenbreitstein Fortress. The large, cosy beer garden in the upper courtyard of the Fortress also invites guests to linger. Larger groups are equally welcome here without advance reservation.

CULTURAL CENTRE |
KOBLENZ STATE MUSEUM

DISCOVER CULTURE IN HISTORIC HEIGHTS

A multimedia tour presents the exciting and eventful history of one of Europe's largest fortifications over 13 stopping points. Four large exhibitions invite you to embark on a discovery tour: The interactive exhibition "Gesten – gestern, heute, übermorgen" (Gestures – yesterday, today, the day after tomorrow), from 2 April to 5 Nov. 2023, allows to tangibly perceive gestures and their diverse points of reference to current cultural and technical developments and change

processes. Discover spectacular finds from a million years of human history at the same time and learn interesting facts about the wine region of Rhineland-Palatinate as well as on the history of photography.

And if you wish to experience living history first hand, look forward to the thrilling productions of Royal English Engineer Officer Mr. Humfrey or the Prussian Armoured Officer.
